Advanced Trauma Life Support Guidelines

Advanced Trauma Life Support. The Advanced Trauma Life Support ® (ATLS ®) program can teach you a systematic, concise approach to the care of a trauma patient. ATLS was developed by the American College of Surgeons (ACS) Committee on Trauma (COT) and was first introduced in the US and abroad in 1980. Its courses provide you with a safe and reliable method for immediate management of injured patients.

Advanced Trauma Life Support

In accordance with that role, the ACS Committee on Trauma (COT) has worked to establish guidelines for the care of injured patients. Accordingly, the COT sponsors and contributes to continued development of the Advanced Trauma Life Support (ATLS) program.
