Andrew: Now, youre in your fifth edition, what other changes have happened? How popular has the Cancer Matrix become? Am I right that there have been 50,000 copies that have been distributed since its inception? Dr. Lin: I think weve done more than that since the books inception. Most of it has been done through an educational grant.

### Understanding How to Use the Cancer Matrix Resource Guide

Multiple Myeloma, Fifth Edition, takes a close look at diagnosing and staging this type of hematologic cancer. Common treatment options, including clinical trials, are discussed. Ways to manage side effects and helpful information for caregivers are included.
