To make sure that each option in the drop down menu selected and to make it more user friendly i want each option deleted after selected once. So user in first round choose option one and next round it is not possible for him to choose the same option again and he had to proceed with other available options

### how to drop down menu but each item to e selected once ...

Choose Once Again. Today we read in the last section of the Text that we do not need to be afraid of temptation. Rather we simply need to see it as another opportunity to choose again. This attitude neutralizes the ego's attempt to use temptation to foster more guilt. I don't need to feel guilty because I relapsed into an old habit.
