Binary Fingers! - MATH

The campaign, dubbed "Stay Safe Campaign- Don't Use Your Fingers to Count Money" is to encourage the general public to avoid counting money with bare hands by adopting simple but effective hygienic standards for our protection.

Stay Safe Campaign- Don't Use Your Fingers to Count Money ...

For example, if you count with your fingers, in Europe remember to start with your thumb, not your index finger (if you hold up your index finger, you'll probably get two of something). The "thumbs up" sign popular in the United States is used widely in most of Europe to say "OK" (it also represents the number one when counting).

Understanding European Gestures by Rick Steves
