Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

### **Edenbrooke**

Edenbrooke is a sweet, unabashedly romantic story set in Regency England. Marianne Daventry, age 17, has always felt overshadowed by her more confident, more beautiful twin sister Cecily. While Cecily is enjoying the social life in London,

### **Edenbrooke (Edenbrooke, #1) by Julianne Donaldson**

Edenbrooke is a fabulous book full of laughs and tingles. Donaldson's writing is enchanting--the language both modern and yet perfect for the time period, a Regency novel that is comfortable, not stuffy. It's funny with a hint of intrigue.
