1. Clean and Paint. One of the best basement storage ideas involves preparation. Make sure you're giving your things the best storage environment by thoroughly cleaning the area prior to putting things away. This is especially important if your basement is unfinished. Unfinished basements tend to hold moisture more than finished ones, which can create problems when storing your things.

Goosebumps (original series) - Wikipedia

Stay Out of the Basement relies on a lot of suspended disbelief to get the story to its climax, but is never out-right frightening. Despite the lack of horror, it reads more like a thriller and has the reader eager to find out what is happening to the Brewer family. The ending is a bit cliché (and also a bit graphic, surprisingly!)

Stay Out of the Basement is the second instalment in the Goosebumps series, and while it is not as strong as the first (Welcome to Dead House) it is still a very entertaining read. It also helps establish the diversity of tales that Stine will eventually incorporate into his series, as this is the first book to deal with quasi-realistic/scientific horror rather than straight-out supernatural horror.
