The Language of Crime and Deviance: An Introduction to ...

"An important book in the emergent field of language and the law, Speaking of Crime is essential reading for everyone whose interests intersect these areas: judges, attorneys, legal scholars, and sociolinguists. Solan and Tiersma look at a large number of important cases—from the Lindbergh kidnapping to the Clinton impeachment—to argue that a more sophisticated understanding of the workings of language by the professionals involved might have created very different, and more just, outcomes.

Speaking of Crime: The Language of Criminal Justice ...

Speaking of Crime answers these questions and examines the complex role of language within our criminal justice system. Lawrence M. Solan and Peter M. Tiersma compile numerous cases, ranging from the Lindbergh kidnapping to the impeachment trial of Bill Clinton to the JonBenét Ramsey case, that provide real-life examples of how language functions in arrests, investigations, interrogations, confessions, and trials.
