In 1776, in Philadelphia, the Second Continental Congress declared the independence of the colonies as the United States. Led by General George Washington, it won the Revolutionary War with large support from France, and additional help from Spain and the Netherlands.

History of the United States - Wikipedia

Northern victory in the war preserved the United States as one nation and ended the institution of slavery that had divided the country from its beginning. But these achievements came at the cost of 625,000 lives--nearly as many American soldiers as died in all the other wars in which this country has fought combined.
